The following is a checklist we ask those we serve to read and sign to verify that the funeral arrangement conference was conducted in compliance with the Rule. You who made the arrangements for the funeral and final disposition of the above-named decedent do hereby attest to the following:

\*You **were** given a General Price List effective on 01/01/017 prior to discussing funeral arrangements or the selection of any funeral goods or services.

No claims were made to you as to the merchandise or services (embalming, casket, outer burial container) to the effect that embalming or the use of any merchandise available from us would delay the decomposition of the remains for a long term or indefinite time, or that any such merchandise would protect the body from gravesite substances. No representations or warranties were made to us about the protective features of caskets or outer burial containers other than those made by the manufacturer. The only warranties, expressed or implied, granted in connection with goods sold with the funeral service we arranged were the expressed written warranties, if any, extended by the manufactures of such goods. No other warranties were extended to you.
