OUR MISSION & VISION

Our Mission is to deliver reliable, genuine and excellent service to every family under our care. We serve with dignity, trust and reliability. Our services are available 24 hours a day, seven days a week, regardless of time and holiday.

IMPORTANCE OF THE FUNERAL

The Death of a loved one is a tragic experience. It causes the family to experience a variety of feelings and emotional numbness. Such reactions are part of the grieving and healing processes. The funeral preparation and ceremony can be stressful without the assistance of a reliable and compassionate Funeral Director, clergy and family. In a personal way, the funeral ceremony enables loved ones to express their thoughts and ideas in positive and constructive ways that will honor their loved one. All of this contributes to the healing process, that leads to acknowledgment and acceptance that there is indeed "another tomorrow".

"Our prayer is that we leave a lasting touch upon the hearts of the people we serve"

-Nikkia L. Brown
