Funeral Director Services

Basic Services of Funeral Director and Staff — $2,950

Our non-declinable fee for the services of funeral directors and staff includes, but is not limited to 24 hour availability for staff to respond to initial request for service; arrangement conference with family or responsible party; employee salaries, insurance and benefits; preparation and filing of necessary certificates and permits; recording vital statistics; preparation and placement of obituary notices; preparation of services; and coordination of service with cemetery, crematory, vault companies and others as required. Also included in this charge are overhead expenses relative to our facility such as insurance, maintenance and utility expenses, secretarial and administrative costs, equipment and inventory expenses, and government compliances.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

Embalming of the Deceased — $1,195

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Preparation of the Deceased — $425

This includes dressing, hairdressing, cosmetics, and casketing of the deceased. Special restorative care, if needed, will be provided at no additional cost to the family.
