Disclaimer of Warranties

This funeral home makes no representations or warranties regarding caskets, outer burial containers, urns and other merchandise. The only warranties, expressed or implied, granted in connection with goods sold by this funeral home are the written warranties, if any, extended by the manufacturers thereof. No other warranties and, specifically, no implied warranties of merchantability and fitness for a particular purpose are extended by this funeral home.

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
