Eugene P. Amos

Dear Friends,

Thank you for placing your trust in the Amos Family. Since 1946, my family has been privileged to serve thousands of families in their time of need. We are very grateful for the opportunity to serve you and your family. Our caring staff of dedicated professionals strive daily to provide the finest burial and cremation services to the families we serve. We have a lovely funeral home with spacious chapels and smaller areas for more intimate gatherings. We also have two onsite crematories which are used only for the families we serve.

Every life is unique and the memories of our loved ones are some of our most cherished possessions. We are here to help you celebrate the life of your loved one in a way that is appropriate and meaningful. As a locally owned family funeral home, we are not bound by corporate policies that restrict our ability to serve you.

The following price list is a guide to the many services we offer. If you have any questions about any of our services or wish to discuss some other type of ceremony, we are glad to help.

Sincerely,

A handwritten signature in cursive script, appearing to read "Gregg Amos".

### Professional Services

**Basic Services of Funeral Director & Staff** **\$3,190.00**

Our charge includes consultation with the family or responsible party, staff and facilities to respond to initial requests for service, coordinating service plans with cemetery, crematory and/or other parties involved in the final disposition of the deceased, securing official documents and necessary registrations, administrative and legal costs, employee benefits, support personnel, insurance, governmental compliance, taxes, and sheltering of the deceased. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. This fee is already included in our charges for direct cremations, immediate burials and forwarding or receiving remains.
