Remembrance Wreaths ~ Winter 2026

Dear Friends,

Once again it's the season to be remembering our loved ones in a special way. To keep with the annual tradition, Woodland Hills will again be offering lovely 25" Remembrance Wreaths, hand-crafted from fresh, fragrant Minnesota Balsam Fir, and decorated with 3 White-Tipped Pine Cones laced with Red Jingle Bells and accented with a hand tied Red Velvet Bow. The wreaths are wired to easel stands, and (weather permitting) are placed by Thanksgiving Weekend, and remain the Winter Holiday Season (Thanksgiving, Christmas, and New Years) with **removal in early spring**. You may place your own wreath in the cemetery; however, you will need to provide your own easel stand as well. **Woodland Hills does not provide or sell easel stands separately.**

Please note the cemetery will not be held responsible for any items, which are not removed from the cemetery once wreath and winter cleanup begins, (**There are no exceptions.**) This includes wreaths, wreath stands, keepsakes and any other specialty items. Items not removed by the clean-up date will be immediately disposed of. Weather permitting; cleanup will begin on **March 1**. **Also, please note the cemetery will not be responsible for the placement of any decorations other than those offered by Woodland Hills.**

Please place wreath orders **before November 1, 2026** to assure getting a wreath. The charge for this service this year is **\$43.50** per wreath. Orders received after October will **not** be guaranteed a wreath.

WARMEST WISHES TO YOU AND YOURS!

Woodland Hills Memorial Park
Rules and Regulations

No planting of any kind is permitted in any section of the cemetery other than by the cemetery. Glass containers of any kind are prohibited on graves and will be removed by the caretakers. Only flowers in permanent marker vases are allowed in the cemetery after the Memorial Day observance. Cut flowers, artificial flowers, and keepsakes will be removed from marker vases when they become unsightly. Potted plants may not be sunk into the ground. There is to be no dumping of flowerpots or planters on gravesites or cemetery property. No glass or tin cans of any kind.

Memorial Day Flowers and Decorations ~ Those that are not in permanent vases may be placed the Monday prior to Memorial Day and must be removed by the Monday following Memorial Day. Even though the cemetery does allow this length of time, there have been incidents the last few years where someone removed potted plants and decorations, not belonging to them, the day after Memorial Day, thus it may be in your best interest to remove them sooner if you wish to keep them. Should you see someone taking decorations and you know that they are not their property please notify a cemetery official.

Flags ~ Flags for Veteran graves will be permitted the Friday before, during and one day following Memorial Day. Flags are placed by the cemetery on over 1000 veteran's graves, should a veteran's grave be missed please contact a cemetery official and a flag will be provided for Memorial Day Observance.

Fall Cleanup ~ Beginning October 15 the cemetery will begin the fall maintenance and clean up; at this time everything in the vases should be removed. The cemetery does do burials all winter, and because of this it is recommended that the permanent vases be turned down for the winter, beginning October 15, to protect them from damage. Also, there have been incidences where vases have filled with snow and rain and froze enough to damage the vases. **The cemetery will not be responsible for damage done to any vases left up during this time.**

Winter Wreaths ~ Winter Wreaths may be placed beginning November 1. The Woodland Hills Holiday Wreaths will be placed for the winter holidays (wreath delivery and weather permitting) by Thanksgiving weekend. All winter decorations need to be removed before March 1. Winter grave decorations will be removed whenever, in the judgment of cemetery management, they become unsightly or injurious to the lawn. The cemetery will not be responsible for any wreaths, wreath stands, decorations or keepsakes not removed by the removal dates. Any decorations not removed at the times given will be removed and disposed of.

Memorial Lights ~ Memorial lights are not weather resistant and are not meant to be a permanent fixture at the grave site. Those owning lights are responsible for them. When not in use, they are to be removed. In order to prevent any damage, the cemetery staff will remove any memorial lights that are not burning and/or have been left unattended.

In the event that plants, shrubs, or other materials are planted or placed on graves contrary to these regulations, they will be removed without notice and disposed of.

October 15	Fall Cleanup Vases are turned down for the winter season
November 1 to March 1	Holiday Wreaths
March 1	Winter Clean-up
1 week after Memorial Day	Memorial Day Cleanup
Memorial Day to October 15	Only cut flower bouquets or silk flowers in a marker vase will be allowed during this period.
