Remembrance Wreaths ~ Winter 2025

Dear Friends,

Once again it's the season to be remembering our loved ones in a special way. To keep with the annual tradition, Woodland Hills will again be offering lovely 25" Remembrance Wreaths, hand-crafted from fresh, fragrant Minnesota Balsam Fir, and decorated with 3 White-Tipped Pine Cones laced with Red Jingle Bells and accented with a hand tied Red Velvet Bow. The wreaths are wired to easel stands, and **(weather permitting)** are placed by Thanksgiving Weekend, and remain the Winter Holiday Season (Thanksgiving, Christmas, and New Years) with **removal in early spring**. You may place your own wreath in the cemetery; however, you will need to provide your own easel stand as well. **Woodland Hills does not provide or sell easel stands separately.**

Please note the cemetery will not be held responsible for any items, which are not removed from the cemetery once wreath and winter cleanup begins, **(There are no exceptions.)** This includes wreaths, wreath stands, keepsakes and any other specialty items. Items not removed by the clean-up date will be immediately disposed of. Weather permitting; cleanup will begin on March 1. **Also, please note the cemetery will not be responsible for the placement of any decorations other than those offered by Woodland Hills.**

Please place wreath orders **before October 30, 2025** to assure getting a wreath. The charge for this service this year is **\$41.50** per wreath. Orders received after October will **not** be guaranteed a wreath.

WARMEST WISHES TO YOU AND YOURS!
