“Sonoma County’s Affordable Funeral Directors – Since 1886”

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services. If legal or other requirements mean that you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services selected.

“Prior to drafting any contract for goods or services, the responsible party or the decedent’s survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.”

PAYMENT TERMS

It is our payment policy that all expenses for services and merchandise be paid in full by the responsible party at time of arrangements, prior to the services being rendered.

For more information on funeral, cemetery, cremation and hydrolysis matters, contact the Department of Consumer Affairs, Cemetery and Funeral Bureau, 1625 North Market Blvd., Suite S-208, Sacramento, CA 95834; Tel: 916-574-7870.

PROFESSIONAL SERVICES

Basic services of funeral director and staff\$3,195

Includes a discussion with you and implementation of desired arrangements; preparing, securing signatures and death certificate; obtaining necessary releases and burial or cremation permit; clerical recording or re-recording and staff personnel to prepare necessary documents; use of the funeral parlor, etc. Our fee is a proportionate share of operating costs including, but not limited to: taxes, licenses, utilities, fees, insurance and staff salaries. This fee for our basic services will be added to the total cost of the funeral arrangements you select. This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.

Embalming\$675

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. For health and sanitation reasons, the State of California requires either refrigeration or embalming 24 hours after death.
