DORIC BRAND BURIAL VAULTS *are made of high strength concrete with a seamless fiberlon, durapreme, or lustra tech liner which is fused to the concrete with epoxy cement. All DORIC BRAND BURIAL VAULTS are backed by a limited warranty. In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or burial vault will satisfy these requirements.*
