**GENERAL PRICE LIST**

**Price Effective January 5, 2026**

**And Are Subject To Change Without Notice**

**The goods and services shown are those we can provide to our customers. You may choose only the item you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.**

**Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, or in part, by or on behalf of the decedent.**

**Our Policy Requires That the Full Bill be Paid 72 Hours Before Scheduled Service Times**

**BASIC PROFESSIONAL SERVICES OF FUNERAL DIRECTOR AND STAFF**

**(REQUIRED)**.....\$2,000.00  
This is the basic charge to each family which we serve for our professional expertise in assisting them. It includes, but is not limited to, a proportionate share of the taxes, licenses, utilities and business expenses necessary to serve the public in a professional manner. Also included in this charge is the consultation with the family, clerical and administrative services, preparation and filing of necessary permits, consultation with the clergy, cemetery, crematory or common carrier, and planning the funeral. There will be an additional charge for the direction and supervision of each service requested or required. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

**EMBALMING**..... \$750.00  
Embalming is a chemical process which provides temporary preservation of the body and eliminates certain health hazards. A person licensed by this state must complete this procedure. Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. If embalming is declined and the final disposition of the deceased has not been finalized within 3 days from the time of death, we require refrigeration.

## *Our Philosophy*

The “family of Rubidoux Mortuary-Kimberly Family Chapel” is  
Dedicated to the families we serve. Having been  
In the very same situation you’re finding yourself  
In, we can understand the struggles you are experiencing.  
The questions you have do not arise conveniently  
Between the hours of 9 and 4.  
Therefore, we offer ourselves to your family 24 hours a day,  
7 days a week.

We also understand there are special circumstances  
from time to time and will assist in any possible way.

We are not reserved to one faith, religion, or belief.  
Every family is treated with dignity and respect
