GENERAL PRICE LIST

These prices are effective as of June 10, 2026. The goods and services shown below are those we can provide for our customers. You may choose only the items you desire. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. However, any funeral arrangements you select will include a charge for our basic services.

This list does not include prices for certain items that you may ask us to buy for you, such as cemetery or crematory services, flowers and newspaper notices. The price for those items will be shown on your bill or statement describing the funeral goods and services you selected.

PAYMENT OPTIONS

The staff at the Haren-Wood Funeral Chapel understands that the purchase of services from a funeral home can be a large financial burden. Because of this we offer many different payment options. First and foremost we will adjust payments and services to meet the needs of any family. We accept any personal checks, or cash at the time of the arrangement conference. We also accept all major credit cards with an additional bank recap fee of 3% applied to the total. If burial insurance was purchased through our funeral home we will file all claims and assignments at no additional cost and wait for payment. If the family provides insurance policies purchased elsewhere and wishes to assign benefits to the funeral home for payment, there will be a 3% assignment fee. The last available option for payment is the billing of an estate and will include a \$350.00 charge.
