General Price List

**Effective Date: January 1, 2023**

*Subject to change without prior notice.*

*This list does not include prices for certain items you may ask us to buy or order for you. These cash advance items include; purchasing death certificates, honoraria, cemetery expenses, flowers, newspaper notices, etc. The prices for those items will be shown on your bill or statement describing the funeral services and merchandise you select.*

*We have the right to charge you for our services in buying these items. (See Cash Advance Fee under Special Services of Funeral Home).*

## **1) Basic services of funeral director, staff and overhead. \$1600.00**

This is a basic fee that we charge every family we serve. It includes a proportionate share of the taxes, licenses and business expenses required to serve the public.

Our charge includes, but is not limited to: 24 hour availability, 365 days per year; overhead expenses relative to our facility, such as - insurance, maintenance and utility expenses, funeral director and staff wages, administrative and clerical services, - (*including the securing, preparation and recording of vital statistics, and obtaining the necessary authorizations and permits*); operation of the facilities necessary to comply to all State and Federal Mortuary Regulations; conducting the arrangements conference with the family; consulting with clergy; planning the funeral ceremony; and coordinating with the cemetery, crematory or other third parties.

This fee for our basic services and overhead (*Figured into our package offers*), will be added to the total cost of the funeral arrangements you select from the following list of services, facilities, available equipment and merchandise.

## **2) Embalming. \$ 500.00**

Embalming is the temporary chemical preservation of deceased human remains by a professional licensee of the State of Idaho. Except in certain special cases, if any, embalming is not required by Idaho State Law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a public funeral with open casket viewing.

If you do not want embalming, you have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. (*Viewing without embalming is recommended for identification purposes only*).

*If we charge for embalming, we will explain why in writing on the funeral contract describing the funeral services and merchandise selected.*

If you choose to not have the deceased embalmed, we can charge a fee of \$500.00. This charge includes: C) The refrigeration service for unembalmed bodies, four days at \$75.00 per day = \$300.00 (*Additional days are additional cost*); as well as 3) Handling of remains, basic sanitary care and additional body preparation \$200.00 (+ \$300.00 = \$500.00).

## **3) Handling of remains, basic sanitary care and additional body preparation. \$ 200.00**

This service may include, (*When necessary*), but is not limited to: use of facilities and equipment and/or supplies for the physical handling and/or use of mechanical device for lifting and moving of the unembalmed or embalmed body - from the time of the removal, throughout the preparation; the basic disinfection of the body, including disinfection chemicals and supplies; the sheltering of the body; providing and applying cosmetics; the dressing of the body; casketing of the body; and any additional preparation of the body.

## **4 Directing funeral ceremony. \$ 400.00**

Our services include: the use of the chapel and related facilities and equipment for a funeral ceremony; or the charge for a funeral ceremony in a church or other facility with the use of necessary equipment to direct a funeral ceremony; directing the funeral ceremony with the needed staff, including attendance prior to, during, and following the ceremony; and the arrangement of the floral display.

*In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.*

*A minimum burial container may be required by the local cemetery district for the burial of a casket and remains. (Local Cemetery Regulation / Not Idaho State Law).*
