GENERAL PRICE LIST

These prices are effective as of **June 01, 2025** but are subject to change without notice. The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Services of Funeral Director and Staff

\$2995.00

Our fee for basic services of funeral director and staff includes, but is not limited to, staff to respond to initial request for service; arrangement conference with family or responsible party; arrangement of funeral or other disposition; preparation and filing of necessary authorizations and permit; recording vital statistic; preparation and placement of obituary notices; coordination with third parties providing other portions of the funeral, (e.g. cemetery, crematory and others.)

Care and Restoration of the Deceased

Embalming

\$1200.00

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as any services with an

open casket viewing or transportation of the deceased outside the State of Texas by Common Carriers. If you do not desire embalming for your loved one, then you have the right to choose several arrangements that do not require you to pay for it, such as Direct Cremation, Direct/Green Burial. Embalming is a topical and arterial process with the use of humectants, emollients, and preservative chemicals. Embalming provides sanitation, temporary preservation and more significantly, the restoration of color and life-like features back to the deceased for a more natural perception during viewing.
