

THIS IS OUR BASIC SERVICE.

This fee is already included in our charges of direct cremations, immediate burials, and forwarding or receiving remains.

EMBALMING

(Includes use of Preparation Room)

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as, a funeral with a viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require for you to pay for it, such as direct cremation or immediate burial.

OTHER PREPARATIONS OF THE BODY

This fee includes the washing, disinfecting, dressing, cosmetizing and casketing the remains (to OSHA standards).

OUR SERVICES THAT WE OFFER TO YOU AT NO ADDITIONAL COST

- Free internet Obituary and Guestbook (you can add pictures and videos as a nice memorial).
- Arranging Death Notices and Obituaries in your local paper (the newspaper will have a print fee).
- Assistance with final disposition of the cremains.
- Filing all government claims (Veterans Administration, Social Security, Public Aid).
- Aftercare

The goods and services shown in this brochure are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for basic services. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the goods and services you selected.

PAYMENT POLICY:

We are unable to extend payment terms for your funeral arrangements. All payments are to be made at least 24 hours prior to family viewing. We offer the following payment options: cash, non-contestable Life Insurance policies (there will be an additional processing fee charged by the insurance company for this method of payment), and credit cards.
