

FREE program for Willmar Area residents

**Monday, October 12, 2026
11:00 a.m.**

Harvey Anderson & Johnson Funeral Home

1000 19th Ave SW | Willmar, MN 56201

Presenters:

Joel Rimstad, who authored an extensive green burial and cremation study, will walk us through his findings and share information on trends and availability for eco-responsible burial and cremation options in Minnesota.

Nathan Streed, Funeral Director and Owner, will discuss pricing options for traditional funerals, cremation, and green funerals and burials.

Courtney Imdieke, Funeral Director & Preplanning Consultant, will explore the question of how advance funeral planning can help protect your loved ones. How can you give them peace of mind on one of the hardest days of their lives?

FREE!

**Funeral and Cremation
Planning Guide...digital
or printed, your choice!**

Printed handouts and materials will be kept to a minimum. Everyone who attends will receive an email with a program outline and other source materials.

Eco-Friendly | Sustainable | Renewable

We're hosting a 90-minute program on **Monday, October 12, 2026, at 11:00 a.m.**, and we hope you can join us.

Relax with your neighbors, enjoy a **free sustainable lunch**, and learn about the many ways you can go green to lessen the environmental impact of your funeral and cremation services. Plus, come wearing your favorite shade of green to be entered into a drawing for a **gift basket**.

Everyone has different "**shades of green**," and we're excited to share the many options and choices available at Harvey Anderson & Johnson Funeral Home to address these concerns.

We're also very **interested in your thoughts and ideas!** If you have suggestions or opinions about these matters, please come, and share them with us so that we can continue to move in the right direction.

Areas of discussion will include...

- Biodegradable caskets and urns
- Green cemetery options that don't require embalming, cremation, or burial vaults
- Alkaline Hydrolysis, a gentle, eco-friendly alternative to flame-based cremation
- Recycled paper products for register books, prayer cards, and folders
- Non-toxic, formaldehyde-free alternatives to conventional embalming fluids
- Local sourcing of food options and organic floral alternatives
- Minnesota laws and regulations concerning advance funeral and cremation directives to ensure your wishes and instructions are followed

IMPORTANT:

Advance registration is required to assist us in our preparation of seating, handouts, and refreshments. Please call 320.235.0545, text 320.293.6518, or email courtney@hafh.org to reserve your place. We look forward to seeing you there!
