Welcome to the Highland Park Funeral Centre, a landmark facility for Peterborough that has elevated the standards of funeral and reception facilities, while ensuring you receive the same level of professionalism you have come to expect.

Highland Park opened in the fall of 2010 and was built to encompass the ever-changing needs of our families, while keeping the future in mind and securing a positive outlook for the lot owners of both Little Lake and Highland Park Cemeteries.

Our Non-denominational Chapel and Tribute Centre can comfortably accommodate up to 350 people, while still maintaining a comfortable atmosphere for smaller gatherings.

In addition, the Reception Centre can cater to all needs accommodating both large and small gatherings. By recognizing the needs and wishes of our families, our reception facilities are fully equipped with flat screen televisions and sound equipment. This allows families to use this part of our facility as a way of celebrating their loved one's life or continuing the journey after a service of remembrance.

For 175 years, Opus Tribute Group (formerly Little Lake Cemetery Company) has been assisting families as they journey through the most difficult times in their lives. This comfort of care allow families to focus on the most important aspects of their grief journey as they celebrate the life of their loved one. From the moment we are called upon, we will be there to guide you through every aspect of this difficult process, providing all your needs at one location.
