Applicable taxes are in addition to all prices

## **PAYMENT OPTIONS**

We are proud to offer various payment, funding and financing options to our clients.

Balance is due within 30 days of signing the contract.

Payment may be made by cash, cheque, debit, and most major credit cards.

Beyond the allotted time, interest can be charged at a rate of 1.5% per month, which is equivalent to 18% per annum (APR-Annual Percentage Rate).

All indebtedness related to the purchase of interment rights is due at the time of interment, entombment or inurnment.

NSF (Non-Sufficient Funds) Charge: A Non-Sufficient Funds (NSF) Charge of \$35.00 will be applied when a payment cannot be processed due to insufficient funds in the account. The standard NSF fee for each returned transaction is \$35.00. This fee covers administrative costs associated with handling the returned payment.

Please ensure sufficient funds are available in your account to avoid this charge.

## **Pre Payment in advance of need**

For services and supplies that are being arranged pre-need, you may pay for the services and supplies at today's price and we will place your money in a trust account/fund, where it will accrue interest until the prepaid contract is fulfilled (when the services and supplies are delivered). Pre-payment can be made by cash, cheque or credit. Funds are held in the purchaser's name.

## **Guarantee**

When paid in full in accordance with the payment terms set out in the prepaid contract, the prepaid contract is guaranteed. The total payment(s) made plus interest / growth earned will be applied to the future price of the services and supplies. If the total payment(s) plus interest / growth earned are insufficient to cover the total future price of the prepaid services and supplies, we will absorb the difference as a loss. Any funds in excess of the total future price of the prepaid services and supplies will be returned or applied toward additional services, supplies and disbursements purchased at the time of need, as applicable. Conditions apply. Any changes to the prepaid contract may result in the prepaid contract being null and void and a new contract being executed with current pricing at the time changes are made.

Additional information about payment, financing and funding options is available upon request.
