Located in the quaint town of Millbrook, Ontario, Mill Valley Funeral & Cremation Centre is a fully licensed funeral establishment providing affordable and professional funeral and cremation services to our families. Our services include funeral and cemetery pre-planning, funeral and memorial services, cremation services and a wide variety of burial and cremation options.

In 2021, Opus Tribute Group purchased Mill Valley Funeral & Cremation Centre from Fallis-Shields Funeral Home. Opus Tribute Group is a not-for-profit, privately owned provider with non-commissioned staff for all bereavement services and is based out of Peterborough.

Mill Valley Funeral & Cremation Centre features a historic family home with beautiful gardens and large facility for all types of gatherings. Mill Valley Funeral & Cremation Centre honours the Heritage of Millbrook's Community. The "homey" atmosphere puts our families at ease and has been described as "relaxing" during a very difficult time.

Opus Tribute Group owns and operates a crematorium which allow our staff to facilitate all of your cremation arrangements, including Ceremonial Cremations.

Little Lake Cemetery and Highland Park Cemetery (completed in 1964) have provided full burial services to the community of Peterborough and its outlying region for over one hundred and fifty years. Our Cemetery staff are here to assist you in any monument design and memorialization you would like at any of the various cemeteries in the area.

For 175 years, Opus Tribute Group has been assisting families as they journey through the most difficult times in their lives. This comfort of care allows families to focus on the most important aspects of their grief journey as they celebrate the life of their loved one. From the moment we are called upon, we will be there to guide you through every aspect of this difficult process, providing all your needs at one location.

If you are prepaying for services or supplies, pre-authorized chequing is also available.

**Financing (Pre-arrangements only)**
Our payment plans give you the option of making payments over time. We offer a competitive financing program, administration fees and interest rates.

**Funding (Pre-arrangements only)**
For your convenience, we offer two funding options when prepaying services or supplies. When prepaying, you pay for the services and supplies today and the money will be used to pay for the services and supplies when they are delivered at the time of death.

**Trust**
Money is directed into a individual trust, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled.

**Insurance**
You may purchase an insurance contract where the proceeds of the insurance contract will be used to pay for the services or supplies at the time they are delivered or the contract is cancelled.

Additional information about funding, payment and financing options is available on request.
