ROSADO FAMILY FUNERAL HOMES  
*Maxton-Rosado*

Selecting a funeral home can be one of the most difficult decisions in life. Often, the selection of a funeral home is made without much thought as to price or quality. We hope to make this decision a little easier. We have prepared our General Price List to be easy to understand, yet as comprehensive as possible. It will give you an understanding of the total cost of a funeral or a cremation conducted through any of our locations. We have always encouraged families to compare before selecting a funeral home. Prices, quality, location, and the availability of staff to meet your needs differ with every funeral home. As always, a price list cannot provide the answers to all your questions, so please feel free to call, stop in or visit our website for additional information.

# Professional Service Charges

We are pleased to provide you with a full disclosure of our Professional Service Charges. To aid consumers, legislation indicates that all funeral homes must provide an itemized General Price List of all of their related Professional Service Charges. We pride ourselves on being one of the most reasonably priced funeral homes in the area.

To help you understand how the total of a funeral is determined, there are three sections that make up the funeral cost. Professional Service Charges, Casket and Merchandise, and Cash Advance Items are the three sections.

## Professional Service Charge

Professional Service Charge covers the charges associated with arranging the funeral itself. There are service packages that include: Traditional Funeral Service Package, Direct Cremation Package, Cremation Following a Ceremony Package, and Direct Burial.

## Casket & Merchandise

Casket and Merchandise, is the second part of the funeral bill. We offer a large selection of metal and wood caskets with a variety of colors and styles. We also have a full line of concrete outer burial containers available through our local vault company. For those families that choose cremation, we also have a large selection of cremation urns to choose from.

## Cash Advance Items

Cash Advance Items are those items that we extend payment in advance for your family. This is a convenience for family so that you do not have to worry about the small details. Examples of cash advances are: cemetery opening and closing fees, minister gratuity, hairdresser, death certificates, etc. If you have any questions or need further assistance we welcome your telephone calls and emails at any time.

**GENERAL PRICE LIST**

*The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. **However, any funeral arrangements you select will include a charge for our basic services and overhead.** If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.*
