General Price List

These prices are effective January 15, 2026 (subject to change without notice)

The goods and services shown below are those that we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean that you must buy any items that you did not specifically ask for, we will explain the reason in writing on the statement we provide, describing the funeral goods and services you selected.

Basic Services of Funeral Director and Staff \$3490.00 X

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. Our charge includes funeral counseling, necessary arrangements, recording vital statistics, securing permits, filing and obtaining death certificates and other forms and claims, preparation of necessary notices, and coordination of service plans with parties involved in the final disposition of the deceased. This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.

Embalming \$725.00 X

Except in certain special cases, embalming is not required by law.

Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Preparation of the body - dressing, cosmetics and casketing \$270.00 X

Outer Burial Container Price List

These prices are effective January 15, 2026, but are subject to change without notice.

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so the grave will not sink. Either a grave liner or a burial vault will satisfy these requirements.
