Lyerly Honor Guard

Lyerly Honor Guard is an all-volunteer group of local veterans who served in the United States Armed Forces.

Our Mission is to provide an honorable, dignified and informative service honoring a fellow veteran and his family. This is designed to be accomplished in a Church or Chapel, but can be adapted to a graveside service.

The Service Consists of Three Parts:

First ~ Recognizing the fallen veteran and his service to our nation.
TAPS is played in this portion.

Second ~ Paying respect to our Nation's Flag.
The US Flag is folded and presented in this portion.

Third ~ Paying respect to the dead.
Firing three volleys of the rifles is done in this portion.
