---

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

### Basic Use of Funeral Director and Staff

\$1,195

Our fee for the services of the funeral director and staff includes responding to the initial request for services; arrangements conference with the family or responsible party; planning the funeral; consulting and coordination with clergy; shelter for the remains; preparation and filing of necessary authorizations and permits; recording vital statistics; preparation and placement of obituary notices; coordination with cemetery, crematory, or other third parties. This fee for our basic services covers overhead costs relative to our facility such as insurance, maintenance, equipment and inventory costs.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials and forward or receiving remains.)

### Embalming

\$400

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose the arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
