FEDERALLY MANDATED DISCLOSURES:

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

PROFESSIONAL SERVICES

BASIC SERVICES OF FUNERAL DIRECTOR & STAFF

\$2395
 Availability of funeral director and staff 24 hours per day, 7 days per week; general use of facilities, equipment and supplies; administrative services, coordinating services, and clerical administration; procurement of death certificate; planning, supervision and follow-up on all details of arrangements including consultation with the family and assistance with procuring various death benefits. *This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. CARE AND PREPARATION OF THE BODY

EMBALMING \$750

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. State law requires that a body be embalmed or refrigerated if final disposition is not accomplished within 24 hours after death. Embalming is a temporary process of disinfection, preservation and restoration. We cannot guarantee that it will eliminate leakage or signs of deterioration.
