PAYMENT POLICY

To lose someone you love is a devastating human experience. It is frequently traumatic and can seriously impact judgment. We believe in the importance of the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs.

It is also important to be realistic in respect to funeral expenditures. We do not want a family to spend more than they should nor less than they would like. What is important is that arrangements meet a family's needs, wishes and budget.

Due to the changing economic environment and in an effort to keep prices low, we are now asking that provisions for payment are due at the time of arrangements. To avoid any possibility of misunderstanding or embarrassment and for your convenience, we accept the following methods of payment:

Cash – Check / Visa – MasterCard – Discover (2.5% credit card fee)
Insurance Assignment of a verifiable policy (3.5% fee)
