EMBALMING AND OTHER PREPARATIONS

Embalming

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Our funeral home requires embalming for any calling hours open to the public, whether open or closed casket.
