

Northern Indiana Funeral Care General Price List

Effective February 22, 2026

Prices subject to change without notice

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services of Funeral Director and Staff

\$2,100

Includes 24 hour availability of staff; initial receiving, handling, and sheltering of remains; the arrangement conference; obtaining obituary information and placing newspaper notices; funeral or memorial service planning; consulting with and coordinating arrangements with family, clergy, cemetery, crematory, florists, and other third parties; obtaining and filing necessary authorizations and permits; and a share of our overhead expenses. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

Embalming

\$900

Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
