

ATTENTION MILITARY VETERANS

YOU ARE ENTITLED TO

FREE BURIAL

AT A NATIONAL CEMETERY

Palmer Funeral Homes have been honored to serve Veterans and their spouses since 1968. We understand the burial offerings at our National Cemeteries and would enjoy sharing this information.

Advanced Planning is a FREE service we offer which takes about an hour. You will learn about veteran benefits and your many options. Additionally, we will record your biographical information and personal wishes and provide copies for your file. Advanced Planning provides peace of mind; knowing you have relieved the burden of uncertainty for your family. Please call any of our funeral home branches for an appointment.

We also provide seminars that are educational that last less than 40 minutes followed by questions and answers. If this is of interest, please call any of our funeral homes branches and set up a time for us to come to your facility.

Veterans Cemetery

- 2 spaces, 2 containers
- 2 opening and closings
