

Holiday Remembrance Service

Throughout the year, we at Sanders Mortuary serve many families during their time of need. Each family has their own unique grief, and each has touched us in their own way.

To commemorate the loss of loved ones, we have planned a Holiday Remembrance Program to give you, your family members and your friends a time to acknowledge your loss and honor your loved one in a special way. This year the program will be held on Sunday, December 2nd at 2 PM and 4 PM at the *West End Christian Community Center* and it is open to all members of your family, including children, grandchildren, siblings and friends.

At the program, we will have a special memorial tribute in honor of your loved one along with an ornament for you to take home. This complimentary snowflake ornament bears the name, date of birth and date of death of your loved one. It comes with a gift pouch for future safekeeping. We will also have special music, refreshments, memorial readings and will light the candles of love in remembrance of those who have gone before us.

In order for us to have your ornament ready for the day of the program, reservations are preferred. If you plan to attend, please RSVP to us by calling the Funeral Home 570-322-3466 and let us know what service time you would like to attend. If your family members would like to order additional memorial ornaments, please let us know as well.

We know how difficult the holidays can be after the loss of a loved one, and we sincerely hope that you can join us to celebrate their memory at our Holiday Remembrance Program.

Yours in service,

The Staff of Sanders Mortuary
