GENERAL PRICE LIST

*These prices are effective as of June 15, 2024
 and are subject to change without notice*

The goods and services shown in this price list are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

This list does not include prices for certain items you may ask us to buy for you, such as cemetery or crematory services and newspaper notices. The prices for those items will be shown on your bill or the statement describing the funeral goods and services you selected.

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF \$3,080.00

Our basic service charge includes, but is not limited to: staff to respond to initial request for service; consultation with the family; preparation and filing of necessary certificates and permits; coordinating with those providing other portions of the funeral, such as, cemetery, clergy, newspapers, etc. Also included in this charge are overhead expenses relative to our facility such as maintenance and utility expenses, secretarial and administrative costs, and equipment and inventory expenses. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, forwarding or receiving remains, and alternative selections.)

Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing.
