William B. Schleifer
Supervisor

William Brian Schleifer
Funeral Director

To Our Friends and Neighbors,

As longtime residents of our community, we have worked and volunteered in several organizations to make a better community for our friends and neighbors. In these unprecedented times, we continue to make the health and safety of your family, our families, our staff and the general public, a priority. As directed by the recommendations of the CDC, the following changes will be in effect for funeral services until notified otherwise:

- * Small, private, family-only visitations and funerals may be held at the funeral home. The times will not be published on our website, in the paper, or on our electronic sign.
- * In the case of a church funeral, we will follow the guidelines established by each particular denomination.
- * If you wish to send cards, flowers plants etc. to the funeral home, we will pass those along to the family. Many local flower shops are still taking orders, please support them.
- * We continue to be available by phone on a 24 hour basis.

The decision to implement these policies was difficult to make but the health and safety of everyone involved is of utmost importance. As the COVID-19 situation develops, changes to these policies may be made as necessary. Our sympathies goes to out to anyone who experiences a loss and has the burden of grief during this uncertain time. Know that we are here to talk with you about creating a meaningful service that honors your loved one yet meets the CDC guidelines. Please feel free to contact us with any questions and concerns.

Respectfully,

Bill and Bill Schleifer
