The goods and services shown below are those we can provide to our families. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our services. This price list is offered to comply with the Federal Substitutions, Additions and Deletions allowed. Nothing the funeral director or anyone else may say should be taken as modifying or differing from the goods and services you selected as shown on that agreement. The package or individually selected prices shown DO NOT include a casket, outer burial container/vault, clothing, any other merchandise, or cash advance that you might ask us to buy for you (such as crematory services, cemetery charges, honorariums, flowers, newspaper notices or death certificates), unless they are shown as included in package price. The prices for these items, if selected, will be shown on your bill or statement describing the funeral goods and services you selected.

Please note: The price of all automotive equipment includes use within a radius of 20 miles.
 An additional mileage fee of \$2.00 per mile, each way, will be charged beyond this range.
