State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the ground will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

Warranties

Our funeral home makes no representations or warranties about the protective value of certain caskets or outer burial containers, other than those made by the manufacturer. The only expressed or implied warranties granted in connection with this funeral service, are the expressed written warranties, if any, extended by the manufactures thereof. No other warranties and no warranties of merchandising fitness for a particular product are extended by the seller.
