but are subject to change without notice

The goods and services shown in this General Price List are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. Unless legal or other requirements mean you must buy any items not specifically asked for, you will be charged only for those items you select. There may be extra charges for other items, such as cemetery fees and flowers. All of our prices are itemized.

BASIC SERVICES OF FUNERAL DIRECTOR, STAFF & OVERHEAD.....\$1,895

This fee includes, but is not limited to the following: responding to the initial request for services 24 hours a day, 7 days a week, conducting the arrangement conference with family or responsible party, coordinating with those providing other services (i.e., cemetery, crematory, religious personnel, vault company, etc.), preparation and filing of necessary permits and authorizations, recording vital statistics. It also covers overhead, including among other things, a proportionate share of the taxes, licenses, utilities and business expenses necessary to serve the public in a professional manner, facility maintenance, equipment and inventory costs, insurance and administrative expenses.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our funeral packages including direct cremations, immediate burials, and forwarding or receiving remains.)

PREPARATION OF THE BODY
