CASKET
SELECTIONS

Wood

Hardwoods

- Mahogany, Oak, Cherry, Walnut, etc.
- Usually extremely strong woods with beautiful colors & grains.

Poplar

- A commonly used wood that is finely textured & lightweight.

Engineered

- Thinly sliced wood veneer or paper is applied to the outside of the casket.

Metal

Copper & Bronze

- Semi-precious metals
- Naturally non-rusting

Stainless Steel

- Rust-resistant properties
- Exceptional value compared to Copper & Bronze.

Carbon Steel

- A commonly used steel that is one of the least expensive metals.
- The term “Gauge” refers to the thickness of the steel. The lower the gauge, the thicker the material.
