

Bridges-Cameron Funeral Home urges the friends of grieving families to give them personal space.

Crowds and close contact aren't what we need at this time. A phone call or a note of sympathy is more appropriate and certainly safer than shoulder-to-shoulder contact at their home or funeral home.

Therefore, CDC, in accordance with its guidance for large events and mass gatherings, recommends that for the next 8 weeks, organizers (whether groups or individuals) cancel or postpone in-person events that consist of 50 people or more throughout the United States.

Let us all show kindness and patience during these days.

Bridges - Cameron
