Rose City Cemetery has been serving families in Portland and the Metro area for over 100 years. We are a family owned and operated business. This Cemetery is an Endowment Care Cemetery and is licensed and regulated by the Oregon State Mortuary and Cemetery Board, (971) 673-1500. It is our hope to serve you with great respect and honor during this difficult time. Please ask your funeral director to explain our Funeral Arrangement Packages, in order to provide you with the most appropriate package for your family's needs.

Funeral Director

Date of Arrangements

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the goods and services you selected.

The list does not include prices for any items that you ask us to purchase, such as cemetery or crematory services, flowers and newspaper notices. The prices for those items will be shown on your bill, or the statement describing the funeral goods and services.

Our basic service charge includes, but is not limited to, staff to respond to initial request for service; arrangement conference with family or responsible party; preparation and filing of necessary certificates and permits; placement of obituary notices; planning of funeral arrangements; and coordination of service with cemetery, crematory, vault companies and others as required. Also included in this charge are the overhead expenses relative to our facility such as insurance, maintenance and utility expenses, secretarial and administrative costs, and equipment and inventory expenses. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)
