

Due to the coronavirus (COVID – 19) please be advised we have decided to modify our office hours by **appointment only** to accommodate those families who are currently experiencing a loss.

For anyone who may need assistance, we will be available to assist 24/7 by either phone (306) 446-4200 or email, mail@battlefordsfuneralservice.com

The staff would like to thank everyone for their understanding and patience while we all work through this uncertainty. We hope these changes will only be for a short time as we anticipate a better level of understanding to prevail.
