PRE-ARRANGED FUNERAL PLANS: We offer families pre-arranged and pre-paid funeral plans. If you pre-arrange through us, we will have all of your documentation on file. If you have a pre-paid funeral policy purchased through another mortuary, bring your documentation, as we will want to honor that plan. We encourage pre-payment of funeral expenses which offers the benefit of our full price guarantee, regardless of inflation. There are no fees for this service and affordable payments may be made over as many as 10 years. This provides peace of mind to not only you but to the loved one who would otherwise be financially responsible. Please feel free to discuss the details with us.

PAYMENT POLICY: Payment is due prior to the date of service or disposition. We accept one, or a combination, of the following: A) pre-payment with our price guarantee; B) payment by cash, check, or credit card; or C) assignment of insurance policy benefits to Price Funeral Chapel, Inc. with a fee of \$200 or 5% of assigned value, whichever is greater, for processing of each insurance policy claim.

OUT OF TOWN FAMILY: We can prepare letters for family members to use for bereavement benefits with airlines and employers.

DEATH CERTIFICATES: The county in which the death occurs produces certified copies of the death certificate. Certified copies may be needed for Social Security, Veterans burial benefits, insurance, title or escrow changes, trusts, banking, credit cards, stocks, bonds, etc. Anticipate a 10-day waiting period before copies become available. We will call the family as soon as their documents are available.

VETERANS: Please provide the military discharge paper (Form DD 214) for a veteran. This document is necessary for veteran benefits such as a flag, grave marker, military honors, interment in a national cemetery, etc. We will assist with all of these details.

AUDIO: Our vast library of funeral music includes background selections and vocal and instrumental selections. In addition the family may provide CD's with your preferred selections for use during services. Please bring your disk by our office at least a day in advance to ensure compatibility.

OBITUARY: We can assist the family in preparing a basic obituary for our website or local and out of town newspapers. If you wish to include a photo, you can e-mail (information@pricefuneralchapel.com) us the photo in .jpg format or we will scan the photo and crop as necessary. For your information, the Sacramento Bee funeral desk may be reached at (916) 321-1323 or funeral@sacbee.com. The deadline for Tuesday through Saturday, is 12PM the day prior. The deadline for Sunday and Monday is 12PM Friday. Special schedules apply to holidays. The Sacramento Bee charges about \$5.05 per line and Sunday only publication is about \$6.10 per line. Each photo is approximately \$75 per day and Sunday only is approximately \$92 per day. Information and deadlines for other local papers are available upon request.

VIDEO: The family may provide a DVD for use during visitation and or chapel service and may be shown on our large flat screen monitors. Please follow these instructions: Burn individual photographs in the root directory of a DVD (either + or – format, not a CD) disk. The photos should be in high resolution .jpg format. An audio track may also be included. We will play your disk in our DVD players. If your disk will play in your home DVD player, it will likely work in our system. We urge the family to bring your disk by at least a day in advance to ensure that our system and your disk are compatible. Please call ahead for a convenient time to bring the disk by. Please do not use a “Movie Maker” type program to generate the DVD as we do not have facilities to accommodate your laptop computer required to read this type of disk.
