With respect to the current **COVID-19 PANDEMIC**, the funeral home is an essential business and is open for **at-need situations**.

All pre-need and other affairs can and will be handled with professional courtesy by phone, e-mail, fax or internet.

We are abiding by the **CDC Guidelines**: ***All viewings must be private. No public viewing will be allowed until further notice***; However a Memorial Service can be planned at a later time when the crisis is over and it is safe for everyone!

We, at the Jean Evans Thompson Funeral Home are concerned not only for your beloved ones; but also for the safety of your family.

Thank you for your continued loyalty, cooperation and understanding during this difficult time for everyone!

Jean & Rick Thompson
