

# Stationery Personalization Made Easy

Introducing stationery personalization by Matthews Aurora™. In just 3 easy steps, our free, easy to-use-tool, makes printing stationery simple and convenient while delivering a personalized token of remembrance for the families you serve.

Stationery personalization is compatible with the full Cherished Memories™ stationery line and includes an enhanced search feature to help locate stationery products with ease. Service information is entered into the system once and auto-populated into every product selected.

## PERSONALIZE STATIONERY IN 3 EASY STEPS:

1. Select the stationery you wish to print – register books, service folders, bulletins, prayer cards and bookmarks
2. Enter family and service data
3. Preview and print

To get started, visit [matthewsaurora.com](http://matthewsaurora.com), log in to the Solution Center and click the Stationery icon (📖).
