

Medicaid Offerings

Medicaid: If the deceased qualifies for Medicaid assistance, Medicaid pays \$1200 towards arrangements. Here is how that breaks down per package

Direct Cremation w/Urn Upgrade: \$1200, family pays (\$0)

Direct Cremation w/Private Family Time: \$1500, family pays (\$300)

Limit 10 people total, if more than 10 requested, it is no longer considered private and a \$500 embalming fee will be charged, allowing more people to view. This does not make it a service, nor extend the hour. The family time can be declined, but no substitutions for other things can be made.

Cremation Memorial Service (no body present): \$2,200, family pays (\$1000)

Same Day Funeral with Cremation: \$3,650 family pays (\$2,450)

Payment Options

Payment in full is expected prior to services being scheduled or cremation being completed unless we have made special arrangements in advance of the service. For your convenience we have the following options available to you.

- ◆ Cash or Check
- ◆ Pre-funded Funeral Plan
- ◆ All Major Credit Cards (service fee of 3.75% is added to all credit card transactions)
- ◆ Verified Insurance Policies, processed through a third party company. For this service the fee varies based on the third party company being used by the funeral home
- ◆ Medicaid Benefits

Cremation Packages — Effective March 1, 2025

Those of us who work at Fountain Square Cremation & Funeral Services know death is difficult. Like you, we've had deaths in the family, and we know most people don't feel up to making big decisions when they're grieving. We've tried to make this package list as easy to understand as possible. If you have questions, ask them — that's what we're here for. Just because we haven't listed a particular option on the list doesn't mean we can't accommodate you. We'll be happy to sit down with you and plan a funeral service that's appropriate and satisfying.
