

HONORING A LOVED ONE

IN FLANDERS FIELDS

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved, and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

A Soldier's Heart

*A soldier's heart so courageous and brave
Committed to his country and the life's he saves*

*Always giving all he's got wanting to give more
So proud to serve his country and what our flag stands for*

*Away from home in a foreign land
Standing on the frontline waiting for his command*

*Fear is unknown as he battles another
So eagerly he would die to save his fellow brother*

*All this bravery he showed right from the start
That's why God gave him a soldier's heart.*

PERSONALIZATION FOR VETERANS

We believe in the importance of giving families options and not limiting you on your ability to select the items that are the most meaningful to you and your family.

This brochure shows a listing of specific veteran themed items that you can choose from if you wish.

The veteran themed personalization options are somewhat endless.

Register Book - We offer a register book with veteran themed images and pages for military information as well as family and service details. The book is professionally printed and completed with all your loved ones information. Also included are pictures of all the flowers that were sent.

Service Folders - The service folders are themed as well either bulletin sized or smaller size. We can also create a folder using your photos for a more personalized option. We have available many verses specifically for the veterans like the one on the front "A Soldier's Heart."

Candle - We include as our gift to you a candle with your loved ones picture on it. The background of the candle has a military design and is shown in the above picture. Of course, you can choose a non-military background as well.

Thank You's - If you so choose, the acknowledgements or thank you cards can also be done with a veteran theme.

The options are endless. It is your choice to select what veteran themed items you would like and what items that would best be non-themed. It is our honor to be able to provide these items to you.

Caskets – There are some caskets available that have veteran themes. Below are pictures of a few examples of what would be available. Regardless, most caskets can be personalized with veteran items; therefore, your options are not limited to only these caskets.

Vaults – There are two options for veteran themed outer burial containers. The "salute" is a basic single reinforced concrete vault and the "veteran" is a double reinforced concrete vault. The appearance of each vault is slightly different, but the makeup of the vault is really where the differences are.

Other Merchandise - Items like urns, keepsakes, flag cases are available as well. These items can be personalized if desired.
