

Disclaimer

The Federal Trade Commission Regulations Rule for "Funeral Industry Practices" requires certain disclosures and prohibits misrepresentations. This Disclosure/Disclaimer form is a checklist we ask those we serve to read and sign.

I/We who made the arrangements for the funeral and final disposition of the remains of _____ hereby attest to the following:

1. I/We were given a general price list effective on October 1, 2007 prior to discussing prices, services, or merchandise.
2. I/We were given a casket price list effective on October 1, 2007 prior to discussing prices or caskets.
3. I/We were given an Outer Burial Container price list effective on October 1, 2007 prior to discussing prices on outer burial containers.
4. I/We were not told that embalming is required by law and were told that law does not require embalming except in certain special cases. If it was provided, this was done with my/our permission.
5. I/We were not told that any law requires embalming for direct cremation, immediate burial, a funeral using a sealed casket, or if refrigeration is available and the funeral is without viewing or visitation and with a closed casket.
6. I/We were not told that any law requires a casket for direct cremation or that a casket other than an unfinished wood box is required for direct cremation or for direct disposition.
7. I/We were told that any law does not require the purchase of an outer burial container or any of the funeral goods or services I/We selected except as set forth on the statement of funeral goods and service selected.
8. No claims were made to me/us as to the merchandise or other offerings of this funeral firm (embalming, casket, outer burial container) that embalming or the use of any merchandise available from this funeral firm would delay the decomposition of the remains for a long term or indefinite time, or would protect the body from gravesite substances. No representations or warranties were made to us about protective textures of caskets or outer burial containers other than those made by the manufacturer. The only warranties expressed or implied, granted in connection with goods sold with the funeral service we arranged were expressed written warranties, if any, extended by the manufacturers thereof. No other warranties and no warranties of merchandising fitness or a particular purpose were extended to us.
9. I/We were not told that the amount of each of the cash advance items was the cost to the funeral firm. We were told the cost might be different based on volume or cash discounts or other professional/trade customs.
