The recognized standard for funeral service professionals, NFDA's Cremation Certification Program covers cremation ethics, crematory operations and maintenance, safety, compliance and liability issues, cremation customer service and much more.

Whether you currently own or operate a crematory, are thinking of opening one, or want to evaluate a third-party crematory, this training is necessary for your success.

Learn the best practices for safe, proper and ethical crematory operations and for excellence in service to cremation families!

Seminar presenter brings unique experience you won't find with any other program!
Mike Nicodemus, NFDA Vice President, Cremation Services

Approved for up to 7 CE hours by APFSP and many state funeral licensing boards.
