Funeral Home Payment Policy

Our Payment Policy requires all fees be paid in full or secured 24 hours prior to services

To lose someone you love is a devastating human experience. It is frequently traumatic and can seriously impact judgement. It also often comes at a time when survivors are least prepared financially. We believe in the importance of the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs. It is also important to be realistic in respect to funeral expenditures. We do not want a family to spend more than they are able. What is important to us is that arrangements be in keeping with a family's wishes and budget.

To be fair to all parties, provisions for payment are due at the time of arrangement. To avoid any possibility of misunderstanding or embarrassment, and for your convenience, we offer the following methods of payment:

Cash or Personal Check

Cashier's Check

Visa or Mastercard

Verified payment from another funeral home

Assignment from Verified Life Insurance Policy

(5% of funeral home contract or total amount of policy.)

We are unable to accept any policy that is in its contestable period. A contestable period usually is two years from the policy goes into force. We are unable to accept any insurance policy that is deemed non-assignable by the company underwriting the policy.

We have never turned away a family based on their ability to pay. We solicit your frankness regarding financial matters and pledge that we will work with you, if necessary, to arrive at terms that are amicable to all involved.

Thank you,

Driggers & Decker Family Funeral Home
