GENERAL PRICE LIST

These prices are effective as of October 1, 2018, but are subject to change without prior notice. The goods and services shown below are those we can provide to our clients. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

We at Evans Funeral Chapel have served families in this community for many years. We have seen a lot of changes in the way people conduct business, and have had to make many changes ourselves. In an effort to keep our prices as low as you can afford, and our services at a consistently high level, we have implemented a modified payment policy.

The Following Are Acceptable Payment Arrangements

- Cash/Checks
- VISA/MasterCard/Discover
- Third-party financing with credit approval
- An assignable, non contestable life insurance policy (there will be an additional processing fee of \$225.00 on the unpaid balance for this method of payment.)
- Estates. Due to the complexity and time involved we are unable to accept payments from estates.

All payments are to be made prior to family viewing.

Our General Price List is complete with everything available through our firm. We have also included optional Service Selections designed to make your choices as simple and effortless as possible. If you are receiving this information because you recently experienced the loss of a loved one, please accept my sincerest condolences.
