The goods and services shown below are those we can provide to the customers we have the privilege to serve. You may choose only the items you desire. **However, any funeral arrangements you select will include a charge for our Basic Service Of Funeral Director & Staff.** If legal or other requirements mean you must purchase any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods, burial site goods, and burial site services you selected. This document is commonly referred to as: **The Statement of Goods & Services.**

BASIC SERVICES OF FUNERAL DIRECTOR & STAFF\$ 3,395.00

Our fee for the Basic Services of Funeral Director & Staff includes, but is not limited to: licensed & properly trained mortician(s) available twenty-four hours a day & each day of the calendar year; arrangement conference with family, or responsible party; arrangement of services selected; preparation and filing of necessary authorizations & permits; recording vital statistics; preparation & placement of obituary notices; staff assistance prior to, during & following the funeral/services selected (including coordination with those providing other service in conjunction with fulfilling the wants & wishes of the family, e.g. cemetery, clergy, musicians, caterers & others as deemed necessary.) Also included in the fee of the **Basic Services Of Funeral Director & Staff** are overhead expenses relative to our facility such as insurance, maintenance, utilities, administrative costs & equipment.

This fee for our **Basic Service Of Funeral Director & Staff** will be added to the total costs of the funeral arrangements you selected. A portion of this fee is already included in our charges for forwarding/receiving of remains, direct cremations & immediate burials.

TRANSFER OF HUMAN REMAINS TO FUNERAL HOME, OR OTHER LOCATION.....\$ 400.00

Within 15-mile radius of the funeral home; beyond this radius we charge \$2.50 per mile round-trip.

EMBALMING.....\$ 725.00

EMBALMING FOLLOWING AUTOPSY AND/OR TISSUE DONATION.....\$ 945.00

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements such as an event that allows for viewing of the body. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation, immediate burial, or when refrigeration or use of dry ice is available. Dry ice may only be used when the dead human body is publicly viewed within private property. A body may not be kept in refrigeration for a period that exceeds six calendar days, or packed in dry ice for a period that exceeds four calendar days, from the time and release of the body from the place of death or from the time of release from the coroner or medical examiner.

CREMATION OF THE BODY.....\$ 725.00

This fee is for the actual process needed to cremate human remains. Minnesota law does not require you to purchase a casket for cremation. If you want to arrange a cremation, you can use a cremation container. A cremation container is a combustible, closed container that encases the body and can be made of materials like fiberboard or corrugated cardboard and into which a dead human body is placed prior to insertion into a cremation chamber for cremation. The containers we provide are corrugated cardboard. Please see our **Cremation Container Price List** for an itemized listing of the cremation containers and the alternative container we offer.

OTHER PREPARATION OF THE BODY.....\$ 455.00

Such as cosmetology, dressing, casketing, or the preparation needed prior to cremation.

OUTER BURIAL CONTAINERS.....\$ 1,495.00 to \$ 2,035.00

(A complete price list will be provided at the funeral establishment)

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
