GENERAL PRICE LIST

These forms are prepared and presented to you in compliance with the Laws of the Federal Trade Regulation Rule for “Funeral Industry Practices” dated April 30, 1984 and the Maryland State Board of Morticians.

These prices are effective as of **July 8, 2024** but are subject to change without prior notice.

The goods and services shown below are those we can provide to our customers. You may choose only items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services of Funeral Director and Staff and Overhead..... \$3,495.00

Our fee for the services of funeral director and staff includes, but is not limited to, twenty-four hours availability, consultation with family; arrangement of funeral; preparation and filing of necessary authorizations and permits; recording vital statistics; preparation and listing of obituary notices; staff assistance prior to, during and following the funeral, including coordination with those providing other portions of the funeral, e.g. cemetery, crematory and others. In addition, this fee includes a proportionate share of our basic overhead costs. This fee is for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

Embalming..... \$1,895.00

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

According to §5-513(b) If the unembalmed body of the decedent is to be stored for more than 48 hours before final disposition, a funeral establishment or crematory shall maintain the body with refrigeration and at a temperature determined by regulation.
