The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Payment Policy

To lose someone you love is a devastating experience. It is frequently traumatic and can seriously impact judgment. We believe in the importance of the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs.

DeBaun Funeral Homes and Crematory and Samaritan Funeral Home is a small, locally owned business, like many others in our community. Of necessity we operate on a cash basis, being totally dependent upon the families that we serve for prompt payment. We ask that our bill be paid at the time of arrangement, either by cash, check, or credit card. We will take **ASSIGNABLE** insurance policies, but they must be verified with the insurance company before services are set.

Payment is due in full at the time of arrangement.

It is important to be realistic in respect to funeral expenditures. We do not want a family to spend more than they should, nor less than they would like. What is important is that arrangements be kept in keeping with a family's wishes and budget.

Please check the method of payment you wish to use.

- Prepaid Funeral Arrangements**
- Insurance Assignment on verified assignable policies. (A 3.5% fee will apply, to process through a third-party company.)**
- Cash**
- Check**
- Credit Cards (MasterCard, Visa, Discover, and American Express.)**

A 3% surcharge will be added to all credit card payments.

Due to the complexity and time involved, we cannot wait for payment from estates.

MEDICAID OPTIONS

EFFECTIVE July 1, 2025

Subject to change without notice.

(If deceased qualifies. This must be verified prior to scheduling services)

Indiana Medicaid will pay **qualified** recipients up to \$1200.00 to be applied to funeral services and \$800.00 to be applied to cemetery services. As of July 1, 2025 Indiana Medicaid will allow a family to contribute \$2700.00 toward funeral expenses and \$1200.00 to cemetery expenses.

If a family has no funds to contribute or if it's their desire, we will provide either a Direct Cremation or a Direct Burial (depending on cemetery) for these Medicaid payments.

If a family chooses any other type of service we will **require** that the **\$2700.00** be paid for the funeral services and depending on which cemetery is used the **\$1200.00** may also be required. (Currently Woodlawn Cemetery and Grandview Cemetery will provide a grave, opening and closing of the grave and a concrete burial box for the \$800.00 that Medicaid will pay to the cemetery.

All Medicaid services must be Monday-Friday and cremation services not going to a cemetery can be no later than 4:00 pm and burial services going to a cemetery can be no later than 3:00 pm. Also, the funeral home will not advance any money for Medicaid services, this includes, but is not limited to obituaries in newspapers, ministers, flowers, death certificates...etc. Also please be aware that all cemeteries may not be eligible for Medicaid burial, we will need to check for scheduling burial. **Any money due from the family must be paid prior to scheduling any services.**

TRUSTEE SERVICES

For families who are not Medicaid eligible, the township trustees may pay the funeral home for either a direct cremation or immediate burial. **The family must go to the trustee's office to sign up for this before the service will be provided.**
