

WE SERVE THE MOST AMAZING FAMILIES

Your understanding and patience during this trying time for our community is greatly appreciated. It's so important to have the support of family and friends when a loved one passes away. As we encourage our families who arrange with us to postpone their services until a later date, we're also encouraging friends and family to please love and support those who have lost someone by writing a condolence, sharing a memory, or posing a picture online at paulyoungfuneralhome.com or on our Facebook Memorials page at facebook.com/oprymemorials.

For our families who arrange with us at this time and must postpone a public gathering, we will be providing a complementary service at a later date to honor and celebrate the life of their loved one.

WE PLEDGE TO YOU...

- ~Our commitment to health and safety with a sparkling clean environment for our families as well as adherence to government and medical guidelines.
- ~Our capable, confident and trained licensed professionals who are prepared and ready to meet the needs of our community.

WE EXTEND OUR GRATITUDE TOWARD YOU...

- ~For respecting government and medical guidelines set forth by officials, as well as mindful manners in shared spaces by washing hands, minimizing touch points, covering coughs and sneezes and minding the 6-foot rule.
- ~For being a great neighbor. Thank you for joining our community in exercising patience, kindness, and respect during a time that is difficult for all, but is also especially difficult for those losing a loved one.

Benediction: 3 John 1:2

**Beloved, I pray that you may prosper in all things
and be in health, just as your soul prospers.**
